Mr. Blandford indicated that the young man had been well recommended to the Chairman and to himself.

[] Reviewed the proposed agenda for tomorrow's meeting with the Subcommittee. Mr. Blandford expressed the hope that it would be possible for Mr. McCone to proceed through the agenda without too much interruption so as to allow completion within the time available.

7. [] Transmitted to Mr. Paul Goulding, Administrative Assistant to Senator Pell, a copy of the Agency letter to [] concerning her application for employment with the Agency. Mr. Goulding thanked me very much for the Agency's careful assistance in this matter.

8. [] Met briefly with Mr. William Gullledge, Senate Post Office and Civil Service Committee, on the status of the pay raise. Although the Senate Committee is endeavoring to meet as frequently as possible, the press of other business has limited their ability to meet each day this week. It appears very unlikely therefore that final passage of the bill can be accomplished prior to the Republican Convention in July.

9. [] Attempted during the day to schedule the final day of hearing with the Moss Subcommittee for Friday of this week. However, a poll of Committee members indicated that such a meeting is not possible. It was tentatively agreed that we would attempt to schedule for Wednesday, Thursday or Friday, June 24, 25, or 26.
